Issued by the
State Board of Elections

PREFACE

This Deputy Registrar Guidelines booklet has been designed to provide information to election officials, labor organizations, civic organizations and other individuals and organizations participating in the Illinois Deputy Registrar Program.

The booklet describes the eligibility requirements and terms of appointment of deputy registrars as well as their duties and responsibilities. General information about the training of deputy registrars and the proper completion of the voter registration forms is also included. These guidelines also recommend procedures important to the continued administration of Public Act 83-1059 and Public Act 94-0645. All citations are from 10 ILCS 5/1-1, et seq.

Additional information can be obtained from either our Springfield or Chicago office or from your election authority (County Clerk or Board of Election Commissioners).

October 2005

APPOINTMENTS

Illinois statutes provide that county clerks shall appoint all **municipal, township or road district clerks** (or their deputies) as deputy registrars who may accept the registration of all qualified residents of the State. Registration at these offices is closed during the **27 day period before any election.**

[10 ILCS 5/4-6.2(a)]

Illinois law also provides that election authorities (county clerks and boards of election commissioners) shall appoint all **precinct committeemen** as deputy registrars. All precinct committeepersons may take registrations of all qualified residents of the State. Registration at these offices is closed during the **27 day period before any election.**

[10 ILCS 5/4-6.2(a), 5-16.2(a), 6-50.2(a)]

Election authorities shall appoint a reasonable number of **employees of the Secretary of State at driver's license examination stations** as designated by the Secretary of State who may accept the registration of all qualified residents of the State. [10 ILCS 5/4-6.2(a), 5-16.2(a), 6-50.2(a) and 625 ILCS 5/2-105]

All deputy registrars **must be registered voters** in the jurisdiction of the appointing election authority. [10ILCS 5/6-50.2, 5-16.2, 4-6.2, 6-59.1]

UPON WRITTEN REQUEST, the following may make application to their election authority to become deputy registrars: [10 ILCS 5/4-6.2(a), 5-16.2(a), 6-50.2(a)]

[10 ILCS 5/4-6.2 5/5-16.2, 5/6-50.2]

CIVIC ORGANIZATIONS

Civic organizations seeking to engage in voter registration activities must file an application with the State Board of Elections for certification as bona fide State civic organization. Those organizations seeking certification must make application no later than 90 days prior to the election for which they wish to register voters. All organizations meeting the qualifications will be certified within seven days from the date the application is received by the State Board of Elections. If an application is denied, the organization may appeal the decision at a public hearing. A certification letter is sent to the organization and a copy of the certification letter is sent to the appropriate election authority. Certified organizations seeking to have members appointed as deputy registrars must submit the request in writing to the appropriate election authority. A copy of the organization's certification should be attached to the letter.

[10 ILCS 5/4-6.2(a), 5-16.2(a), 6-50.2(a) and SBE Rule 207.50]

LABOR ORGANIZATIONS

Labor organizations seeking to engage in voter registration activities must make application with the appropriate election authority. The request must be in writing. Labor organizations **DO NOT** need to be certified by the State Board of Elections. Only **bona fide** labor organizations are authorized to participate in voter registration activities. A bona fide labor organization is one in which employees participate and which exists at least in part to deal with employers concerning wages, working conditions, labor disputes, grievances, or related matters.

ORGANIZED VOTER REGISTRATION EVENTS

Organizations intending to conduct a major voter registration drive or “shopping mall” type registration event may contact the election authority for advisement. **Political parties** having certified civic organization status must **NOT** conduct voter registration activities at political functions. Voter registration activities must be organized as separate and distinct functions by **all** organizations. **Any type of electioneering or campaigning while conducting voter registration activities is STRICTLY PROHIBITED.**

As with all other deputy registrars, registration by labor organizations and civic organizations is closed during the 27 days before any election.

APPOINTMENTS LIMITED TO REASONABLE NUMBER

Each election authority must appoint all individuals who qualify, except that an election authority may limit the appointments of individuals affiliated with **labor organizations** and **civic organizations** to a “reasonable number”. [10 ILCS 5/4-6.2(a), 5-16.2(a), 6-50.2(a)]

In no event may an election authority fix an arbitrary number applicable to every civic organization requesting appointment of its members as deputy registrars. The number of registrars from a state civic organization will vary across the State depending upon the number of unregistered citizens among the voting age population in the jurisdiction and other factors as mentioned in the following list.

In determining what is a “**reasonable number**” to appoint from any state civic organization, there are a number of **factors** which the election authority should consider. Some of these include:

- population of the jurisdiction
- size of the organization
- geographic size of the jurisdiction
- convenience to the public
- the location of existing deputy registrars
- existing number of deputy registrars in the jurisdiction
- existing number of registrars in the organization
- the need to appoint deputy registrars to assist with the registration of non-English speaking individuals
- the goal, in terms of registration activities, of the organization

If any request to be appointed as a deputy registrar is denied, the election authority shall, **within 10 days** after the date the request is received, provide the affected individual or organization with written notice; setting forth the specific reasons or criteria relied upon to deny the request.

Additional deputy registrars appointed by the election authority must be appointed from lists of applicants furnished by the chairmen of the political party county central committees. Each county party chairman must submit a list of applicants to the election authority by November 30 of each year. When additional deputy registrars are appointed by the election authority, their selection must be made in such a manner that the convenience of the public is served and so that there are an **equal number of deputy registrars appointed from each of the two major political parties.**

[10 ILCS 5/4-6.2(a), 5-16.2(a), 6-50.2(a)]

Election authorities may establish **temporary places of registration.** A notice of the times of operation and locations of temporary places of registration must be published not less than **3** nor more than **15** days before the holding of such registration. These temporary places of registration must be staffed by employees of the election authority or deputy registrars.

[10 ILCS 5/4-6.1, 4-6.3, 5-16.1, 5-16.3, 6-50.1, 6-50.3]

Appointments of deputy registrars under this Section, except precinct committeemen, shall be for 2-year terms, commencing on December 1 following the general election of each even-numbered year, except that the mid-term appointments shall be until December 1 following the next general election. Appointments of precinct committeemen shall be for 2-year terms commencing on the date of the county convention

following the general primary at which they were elected. [10ILCS 5/4-6.2, 5-16.2, 6-50.2]

Organizations need to seek reappointment for their members if they want their members to continue serving as deputy registrars. **It is suggested that election authorities notify the organizations of this need to re-apply.** [10 ILCS 5/4-6.2, 5-16.2, 6-50.2]

TRAINING OF DEPUTY REGISTRARS **[10 ILCS 5/4-6.2(b), 4-9, 5-8, 5-16.2(b), 6-36, 6-50.2(b)]**

Illinois statutes provide that the training of deputy registrars be under the direction of the election authority (county clerk or board of election commissioners). All training programs are designed to inform deputy registrars of their duties and responsibilities and include instructions relevant to the proper completion of the voter registration forms.

Only the registration forms authorized by Illinois statute are to be used by deputy registrars. See page 12 for more detailed information about registration record forms.

Proper training is crucial to the success of any voter registration program. All deputy registrars should be aware that **accuracy**, **neatness**, and **timeliness** are of utmost importance. Registration forms which are completed accurately and submitted to the election authority when they are due will help to ensure a successful registration program and save valuable time on the part of election officials and deputy registrars alike.

Training programs should also include an explanation of the office procedures involved for processing registration applications, as well as an explanation concerning changes of addresses and name changes (e.g., any registered voter who changes his or her name must re-register). All information provided in any training program must be consistent with the Illinois Election Code [10 ILCS 5/1-1, et seq.].

All training programs should include the following:

1. Instructions as to the duties and limitations of deputy registrars.
2. Instructions as to the proper completion of the registration forms.
3. The dates when registration is NOT allowed and when completed forms must be returned for processing. **Completed registration forms must be returned for processing within 7 days of completion.**

NOTE: Deputy registrars must return all registration materials (new registrations /evidence of previous registrations/changes in registration) to the election authority within 48 hours of registration if such registration was accepted between the 35th and 28th day preceding an election.

Registrars must return all registration materials (new registrations/evidence of previous registrations/changes in registration) to the election authority within 24 hours of registration if such registration was accepted on the 28th day preceding an election.

[10 ILCS 5/4-8.03, 5-7.03, 6-35.03]

4. **Registrars affiliated with labor groups are required to return unused voter registration materials no later than the next working day after the close of registration.**
5. An explanation of the office procedures for processing cards.
6. Procedures on changes of address and name changes. [10 ILCS 5/4-8.03, 4-16, 5-7.03, 5-23, 6-35.03, 6-53, 6-54]
7. An explanation of local guidelines or rules adopted by the election authority which are consistent with the Election Code.
(10 ILCS 5/6-26)
8. General information regarding the actual statutory requirements for registering to vote in Illinois which include:
 - **Must be a U. S. Citizen;**
 - **Must have been a resident in the precinct for at least 30 days prior to election day;**
 - **Must be at least 18 years old by next election day.**

*The applicant is required to show two forms of identification. One of the identification forms must show the applicant's current residence address.
(See page 11)*

Upon completion of training, the election authority issues a **certificate** to each deputy registrar. The election authority also maintains a file of all appointed deputy registrars and must make a list of these appointments available for public inspection.
[10 ILCS 5/4-6.2(a - b), 5-16.2(a - b), 6-50.2(a -b)]

All deputy registrars are required to take and subscribe to the following **oath or affirmation**:

“I do solemnly swear (or affirm, as the case may be) that I will support the Constitution of the United States, and the Constitution of the State of Illinois, and that I will faithfully discharge the duties of the office of deputy registrar to the best of my ability and that I will register no person nor cause the registration of any person except upon his personal application before me.”

Signature

The oath is administered by the election authority or his/her deputy and is filed with the election authority.

IDENTIFICATION

Voter registration applicants are required to show the deputy registrar or officer of registration **two forms of identification**, and except in the case of a homeless individual, one of the pieces of identification must include the applicant's current residence address. These forms of identification include, but are not limited to, any of the following: driver's license, social security card, public aid identification card, utility bill, employee or student identification card, credit card, or a civic, union or professional association membership card. The registration officer must require a homeless individual to furnish evidence of his use of the mailing address stated. A mailing address of a homeless individual may include, but is not limited to, a shelter, a day shelter, or a private residence. This use may be demonstrated by a piece of mail addressed to that individual and received at that mailing address. The registration officer shall require each applicant to read or have read to him the affidavit of registration before completing and signing the application.

[10ILCS 5/5-9, 6-37, 6-35, 4-10]

“You do solemnly swear (or affirm) that you will fully and truly answer all such questions as shall be put to you touching your name, place of residence, place of birth, your qualifications as an elector and your right as such to register and vote under the laws of the State of Illinois.”

REGISTRATION RECORD CARDS

Where the location cannot be determined by street and number, then the section, congressional township and range number may be used, or such other description as may be necessary, including post-office mailing address.
